# What you told us about your experience

“

This was such a nice opportunity to present and discuss our work.

“

The best virtual conference I have attended since the pandemic.

Today I'm at my first online conference #SGEU21 and it's actually been very good, interesting and informative.

“

**It was a value-added  
discovery journey with  
open knowledge-sharing,  
(academic) networking,  
and fun.**

Glad to have the  
possibility to attend  
debates online  
with great scholars.

---

Thank you very much for this great  
conference! Everything was very  
well-prepared. I very much benefitted  
from and enjoyed the discussions!

“

**This is all  
splendidly  
organised!**
